HIS KIDS

We are all born to worship

Kids are natural worshippers! They love to praise God and often have depth of faith and expression that eludes adults.

Here at SFUMC we want to provide a time for kids to experience God and worship Him in their own way. We also have found that giving kids a quiet time and space to draw, color or paint is something that is missing from their often hectic schedules.

The fall 2011 session schedule will be:

- 3:00 Walk from the "kindergarten" exit of Springville Elementary
- Simple snack of water, crackers, fruit, pretzel or cheese in Kids Cove
- Worship and Bible story in Kids Cove
- Art response time in Craft room
- 4:45 Parent pick up from Craft room

- Dates:** Tuesdays, Aug. 23rd to Sept. 27
- Where:** Springville First United Methodist
- Times:** 3 to 4:45 p.m.
- Cost:** \$12 to help with snack and supply cost
- Ages :** K5 to 4th grade

Pre Registration is going to be a MUST for this Fall session, so we can have enough materials and helpers . Also, remember to send your note to the Elementary School giving permission for them to release your child to us.

We may have to limit enrollment, so register NOW!!

Bring or mail registration to church office by Sunday August 21st
